

Call for Presentations – Spring 2018

The 2018 Spring Conference of the Indiana Council of Administrators of Special Education (ICASE) will be held on the following dates:

February 15th – 16th at the Sheraton Keystone in Indianapolis.

We are issuing a call for presentations for the spring conference in order to provide programming that meets a variety of professional needs and interests. The conference agenda will cover a broad array of professional topics to support leadership in the field of special education administration. This conference we are looking for presentations that would fall into the following four threads: Assistive Technology, Blended Learning, Tech 101—Tools for Administrators, and 21st Century Legal Issues. Some requested presentation topics are transition portfolios, incorporating technology into self-directed IEPs, technology for easier reporting and data collection, legal issues revolving around technology use, and extension/apps in the UDL classroom. The list could go on and on with how technology is impacting our students', staff, and administrators' lives daily.

Professionals including practitioners, researchers, instructional leaders, graduate students, administrators, teachers, counselors, and others who work with children and youth are encouraged to submit proposals. Members of ICASE are encouraged to disseminate this call for presentations with professionals across disciplines in order to share interests, best practices, and ideas for serving children and youth in Indiana. Presentations should address current topics and best practices in the field of special education.

Presentations may consist of panel discussions, presentations, or an alternative format appropriate for sharing your ideas. **All sessions will be 1 hour and 15 minutes in length and will occur on Thursday, Feb 15th. Presenters will provide their own projectors.**

Proposals should consist of **1)** a completed Conference Presentation Cover Sheet (attached) and **2)** a two page or less summary identifying the title, purpose, overview, and learning outcomes of the proposed presentation. Both the Cover Sheet and the Summary should be submitted electronically to Michelle Neff mneff.icase@gmail.com and Sam Ellis icasepd@gmail.com by **Jan. 10, 2018**. A blind review will be conducted and all proposals will be given serious consideration for acceptance. Decisions about selected proposals will be communicated by **Jan. 22, 2018**.

Presenters whose proposals are selected for the ICASE Conferences will receive 1 free registration to attend.

Questions regarding this Call for Presentations can be directed to Michelle Neff mneff.icase@gmail.com and Sam Ellis icasepd@gmail.com.

Thank you for your interest in ICASE.

We look forward to your participation in our upcoming ICASE Conferences.

ICASE Spring 2018 -- Conference Presentation Cover Sheet

Please consider this conference proposal for:

- Spring 2018 ICASE -- February 15th** at the Sheraton Keystone in Indianapolis.
