CEC SPECIAL EDITION

**GET READY FOR [CEC](#) - ICASE!
Jan. 29 - Feb. 2, 2019
Indianapolis Convention Center**

We are excited to partner with IN-CEC in hosting the National CEC conference in Indianapolis. Please join us by attending the conference, attending ICASE events (listed below), showing your "Hoosier Hospitality" to our guests from across the United States and other countries. There are many events that will showcase our organization during the week. But it's the people of our organizations that make ICASE special and we encourage you to show that hospitality by meeting, greeting and welcoming our peers to Indiana.

PUBLIC RELATIONS COMMITTEE

There are 2 events that will showcase our organization during the day on Wed. and Thursday of CEC in Indy. ICASE will have a booth located in the Exhibition Hall. We will be spotlighting our “Hoosier Hospitality” by being present in the middle of the festivities. We have secured one of the **NDY** statues and will have a photo booth with our logo on a backdrop. People will want to stop by and snap a few pics with their colleagues and friends and we will be there to take the pictures, talk about what’s going on in Indiana, offer dinner and entertainment options, etc. A great way to meet others and tell of all the wonderful initiatives!

SILENT AUCTION - GIFT BASKETS (Exhibition Hall)

The second thing we are doing, and asking your help with, is a Silent Basket Auction. Just like our Fall ICASE fundraiser for our scholarship account, we will have baskets from all over the state of Indiana with “regional” items. For example: In Grant County there is: James Dean, Garfield, Weaver Popcorn, Mama Pearson’s Soapaporium, Bad Dad Brewery, etc. Each basket will incorporate things about the county it was created in and have a little card telling about it and what it is known for. We would love to have as many baskets as possible to show the diversity of our state. We have breweries, wineries, Vera Bradley, small businesses with locally made and popular items. Use your imagination and get in on the fun. We will have the baskets at the booth and people will be able to bid on them Wed. and Thurs. before the winners are announced. Let’s get together with our colleagues and come up with some great representations of the great things going on in your “neck of the state!” Bring your basket with you when you arrive and the Public Relations Team will do the rest!

UNIFIED SPORTS SHOWCASE (Exhibition Hall)

Unified Sports Showcase - (Exhibition Hall) In Indiana we believe in our students' abilities and we want to showcase our unified approach. Come into the exhibit hall on Friday morning after the awards program and participate in unified track events with students from Indiana. While your there encourage a peer from another state to come on in and get contact information on how they can get unified programming started in their school district.

GOVERNMENTAL AFFAIRS UPDATE

LEGISLATIVE BREAKFAST INDIANA GENERAL ASSEMBLY

The ICASE Governmental Affairs Committee has been diligently working with to make our 2019 Legislative Breakfast a great event. The event's success is only as great as our member's participation. ICASE needs for each of YOU to personally reach out to invite each of your legislators to our Legislative Breakfast-Thursday, January 31, 2019 beginning at 7:30 AM until approximately 9:00 AM in the Statehouse, North Atrium.

Our Senators and Representatives want to hear from their own constituents. When they hear that their own voters will be at an event, the legislators make a stronger effort to attend the event. Our voices have and continue to make a difference. Let's work collectively and diligently to leave our mark on the Statehouse by having our best turnout to date at the 2019 ICASE Legislative Breakfast. For talking points and a summary of important issues, download our [Platform Statement here](#).

If you have any questions or input, please contact your roundtable Governmental Affairs representative or Tammy Hurm (812)-686-0722.
