ICASE SUMMER HAPPENINGS

CASE/CEC Legislative Summit

Several ICASE members recently traveled to Washington, DC to represent the state of Indiana at the 2017 CEC/CASE Legislative Summit. Tammy Hurm, Governmental Affairs Chairperson, helped to organize the fifteen (15) ICASE representatives that made appointments and spent time with DC legislators from the State of Indiana.

This was a great opportunity to represent ICASE members, administrators, teachers, families and other educators on topics that will have an impact on the students with disabilities in Indiana. We want to thank several Legislators, including Congressmen Andre Carson, Trey Hollingsworth and Larry Bucshon; and Congresswoman Susan Brooks.

The ICASE team "stormed the hill" and did an amazing job discussing full funding of IDEA, Medicaid in schools, Keeping public school funds in public education and increasing education appropriations. Our Indiana legislators listened, shared their thoughts and in some cases were very much enlightened by our ICASE representatives. Thank you to the ICASE/CEC members for giving all ICASE members a voice in DC.

New Directors Training

Congratulations to all the new Directors of Special Education in the state of Indiana!! In June, new and aspiring special education directors attended a training held by ICASE and the IDOE's Office of Special Education (OSE) to help new directors achieve a great start to their new positions. Margaret "Peggy" Murphy (Avon Community Schools) organized the day of training and Pam Wright, Director of the OSE, kicked off the day's activities by introducing her entire OSE team that came to support our new directors. The training covered topics like fiscal support, compliance monitoring and data collection in addition to many other topics.

What a great way to kick off a new career path, thanks ICASE.

Retreat Review

The ICASE Executive Committee has been very busy planning, collaborating and discussing changes needed to grow the organization. The executive committee took a trip to Henryville, IN for some time to focus on the health of the organization. The team examined the mission, created a strategic plan, discussed fiscal needs, and reviewed the ICASE Constitution in an attempt to keep the organization moving in the right direction. The executive committee will be proposing changes at fall ICASE. We encourage you to become a voting member and to help our team of volunteers to make our professional organization, ICASE, the best in the country.

COMING UP NEXT: [Fall Conference/Inclusion Revolution](#)

The Professional Development Committee has been hard at work planning the [2017 Inclusion Revolution \(Oct.4th - 6th\)](#). Inclusion Revolution is this year's fall conference theme. The committee has an amazing line up of speakers, presenters and entertainers ready to revolutionize our inclusionary practices and enlighten our members. The conference will be held at the French Lick Springs Resort in French Lick, IN.

Make sure you take the time to visit our [website](#) and review the conference information and register for a conference that you just cannot miss!
